**Owensboro-Daviess County  
Metropolitan Planning Organization  
Transportation Improvement Program FY 2019-2024  
Administration Modification #3**

**ACTION:** The Owensboro-Daviess County Metropolitan Planning Organization hereby modifies the FY 2019-2024 Transportation Improvement Program (TIP). This modification reflects the addition of a Recreational Trails project.

**DESCRIPTION:** Development of trailside and trailhead facilities and maintenance of existing trail at Loop Trail at Joe Ford Nature Trail.

**SCOPE OF WORK:** Grouped Projects (Recreational Trails Projects)

**TYPE OF FUND:** RTP

**FY:** 2019

**AMOUNT:** \$23,315 Recreational Trail Program funds; \$5,828.75 local match

**OTHER INFORMATION:** This project is of a type identified in the Grouped Projects Table of the TIP; therefore, a formal TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP and MTP by Administrative Modification. TIP actions for these projects will not require additional public review. The identification of specific projects from the Grouped Projects Table involves a commitment of additional funding for the project by the project sponsor (Kentucky Department for Local Government). This additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

Approved

Owensboro-Daviess County MPO
